ABOUT THE COLLEGE-

IDAN Teachers Training College, located in Purba Medinipur, West Bengal, was established in 2016 with a mission to provide high-quality teacher education. The college offers both B.Ed. and D.El.Ed. programs, preparing future educators with the skills and knowledge needed for effective teaching. Affiliated with Baba Saheb Ambedkar University and the West Bengal Board of Primary Education, the college is recognized by the National Council for Teacher Education (NCTE), ensuring that its programs meet national standards for teacher training.

OBJECTIVES –

The seminar aims to explore the transformative vision of NEP 2020, focusing on the integration of holistic and multidisciplinary approaches in education. The objectives include understanding the policy framework, promoting flexible and broad-based curricula, and emphasizing the development of cognitive, emotional, and ethical capacities in learners. Additionally, the seminar will address the role of educators, the design and implementation of new curricula, and the collaborative efforts needed across disciplines to create a future-ready education system that aligns with global standards while preserving cultural values.
